## EXPERIENCE

**2023 - 2024 | Chief Supervisor**

Led a team in developing complex web projects, managing the entire process from concept to launch. Coordinated across departments and stakeholders to ensure seamless collaboration and deliver high quality, user-focused solutions.

**TISFOULA - Remote work**

**2019 - 2022 | Web Application Developer & Graphics Specialist**

Partnered with a Chinese development and design company, focusing on web application development and optimization. Collaborated with clients to enhance functionality, design, and user experience, ensuring tailored solutions that met their specific needs.

**红莲设计有限公司 (Red Lotus Design Co., Ltd.) - Hybrid work**

**2016 - 2019 | Web Development & Optimization Specialist**

Played a key role in a Ukrainian development firm, enhancing websites through optimization and performance improvements. Worked closely with the team to refine user experience and implement best practices for more efficient, high performing sites.

**Зорава Технології ТОВ (Zorava Technologies TOV.) - On-site work**

**2015 - Present | Freelance Web Developer, 3D Artist & Graphic Designer**

Provided freelance web development, 3D modeling, and graphic design services, completing diverse projects ranging from websites to 3D visualizations. Delivered custom solutions for a global client base, showcasing expertise in both frontend and backend development.

**Self-Employed**

*"Design is not just what it looks like and feels like. Design is how it works."*
